**Guarantee:** I guarantee that you will come away from the course with a much better understanding and appreciation for the sport of soccer which will also lead to a better enjoyment of the game. You may even be able to hold your own in a soccer conversation with your kid. If you are not satisfied with any of the 2 hour sessions, simply express your concerns by email to [mikeu@dinamosports.com](mailto:mikeu@dinamosports.com) and I will refund your fee pro-rated by session.

**Disclaimer:** This course is NOT sanctioned or approved by any government related entity and the licensing is strictly intended to be in good humor. However, this may be the best \$75 that you spend during your entire time as a soccer parent. For less than the price of one pair of soccer cleats, your investment will provide benefits for many years to come.

This course is NOT intended to supersede your current coach's expertise and should not be used as material to start questioning every move your coach makes. Every coach has a slightly different approach and no one method can be scientifically proven to be better than another.
